

MAC Services Ltd
Electrical Engineers and Contractors
Environmental Policy

MAC Services have been providing electrical engineering services for 40 years. The company is committed to provide a quality service in a manner that ensures a safe and healthy workplace for the employees and to minimise its potential impact on the environment. We comply with environmental laws designed to reduce the harm the business may cause to the environment:

Energy Information Regulation 2011 SI 1524

CR C Energy Efficiency Scheme order 2011 SI234

The UK Waste Electrical and Electronic Equipment (WEEE) Regulations implement the main the provisions of the European WEEE Directive. The broad aim is to address the environmental impacts of unwanted electrical and electronic equipment at end of life disposal.

Ecodesign for Energy-Related Products Regulations 2010 SI2617 (Energy Efficiency lighting)

MAC Services will:

1. Integrate the consideration of environmental concerns and impacts into all of their decision making and activities.
2. Promote environmental awareness both internally and amongst its customers and suppliers.
3. Educate and inform our employees about environmental issues that may affect their work.
4. Carry out staff training when required.
5. Inform all employees to adhere to the Waste Disposal policy.
6. Reduce waste through re-use and recycling and by purchasing recycled, recyclable or re-furbished products and materials where these alternatives are available.
7. Promote efficient use of materials and resources throughout our offices including water, electricity, raw materials and other resources, particularly those that are non-renewable.
8. Purchase and use environmentally responsible products accordingly. Use suppliers and service providers that operate in a responsible manner in respect to environmental issues.
9. Communicate our environmental commitment to clients & the public and encourage them to support it through energy saving solutions, such as Energy Efficiency Lighting LED.
10. Strive to continually improve our environmental performance and minimise the social impact and damage of activities by periodically reviewing our environmental policy by MAC Services management team to ensure continued suitability.

Signed
